Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you can fill in anywhere or if you will be leaving on vacation.

Want to Become a Docent?

We are in need of some additional docents for our weekly schedule, particularly on Wednesdays, Fridays, Saturdays and Sundays. If you love history and have always been interested in telling our stories, but weren't sure about becoming a docent, now is your chance! If you are interested, please email Bill Miller at Bill.Miller@PacificAviationMuseum.org

Thank You!

A big "thank you!" to all the volunteers who came to help clear out rubbish and debris and to help us organize some of the updated spaces in our hangars. I know that change can be challenging at times, but thanks to your support, we are moving through this transition smoothly!

Volunteer Meeting Next Saturday, June 30th

I will be holding a volunteer meeting next Saturday, June 30th at 9:00 AM in the Museum cafe. I will provide coffee and donuts and will go over some of the changes that have been made to the Museum and changes that are still to come, to both the Museum and to the Volunteer program. Please come with questions!

A Note from our Director, Elissa Lines

Aloha. Summer is officially here. It's great to see so many visitors in the museum each day. We appreciate your help as we work around the gallery improvements. I want to call out a special thanks to Rich Zegar. About two weeks ago, I was invited to speak at a Rotary Club in town. Rich introduced me and did a great job reinforcing the value and impact of our museum. Sharing our impact with community leaders is so important. Please let me know if you are also a member of group with a speakers' program. I would love to come and share our story!
